The Board discussed the rising number of assessing department issues, including pending deadlines, lack of data entry, and lack of communication. With the March Board of Review approaching the township is in a crunch to meet publication, mailing and filing deadlines.

A motion to dismiss the current township assessor, Aaron Gates, and enter a signed 3-year contract with WCA Assessing, effective February 5, 2026 – April 1, 2029, was made by Treasurer Christoff and supported by Trustee VanHouten. The township will formally request all township records and property to be returned to the Supervisor. Motion carried unanimously.

Adjourned at 11:35 a.m.

Respectfully,

Clerk Nicole Hardish
